Message From Our Club President, Bill Rinehart...

Thank You!

As our Lions year roars to it's end I wanted to personally thank each and every Lion for your contribution to what has been an outstanding year. Through all of YOUR efforts, we have moved our club back into the spot of the most active and best service club in Seymour. Our motto is "to serve," and I believe we have done a wonderful job of serving in 2005-2006. We have also put several things in place, through the work of an outstanding Board of Directors, that will carry us into the next few years. Hope all of you can make it to Charter Night on June 15 so we can re-cap a few of the great things that happened this past year and look at the strong future we have before us under Lion Rich Steele as our new President. We all must remember that what we did in this past year was outstanding but what do we do today and tomorrow? My thought is we do what we always do- We Serve!!!

Yours in Lionism - Bill

I Could Use a Little Money...

Dear Father,

School is really great. I am making lots of friends and studying very hard. With all my stuff, I simply can't think of anything I need, so if you would like, you can just send me a card, as I would love to hear from you.

Love - Your Son.

After receiving his son's letter, the father immediately replies by sending a letter back.

Dear Son,

I know that astronomy, economics, and oceanography are enough to keep even an honor student busy. Do NOT forget that the pursuit of knowledge is a noble task, and you can never study enough.

Love - Dad
