August 16: Business Meeting

August 30: Regular Meeting - Alan Whisman will tell us how Seymour Band Boosters is utilizing our grant money.

A Few Words From Lion President Dave Meginnis...

A roaring "WELCOME" to new Lions Jeff Ray and David Beatty! Be sure to extend a smile and your handshake to both. Thank you, Lion Bill Rinehart for sponsoring Lion Jeff and Lion David. Who is waiting for you to invite to become a Lion?

We are humbled by the service of the Lions recognized at Charter Night. They have set a high standard for each of us. We are so very grateful for their personal sacrifice and dedication. We can't thank Lion PDG Frank and Lion of the Year Sandy enough for their special year of leadership given to EVERY Lions Club in our District. We can show our gratitude by maintaining the enthusiasm and pride for Lions International they bring to our Club.

Here is a little "peek" at what *might be* new for this year of service. The board, then you, must approve, and support these projects.

- Send a "team" of trike riders to the Oct 14 race at ISBVI
- Collect donations for Anchor House food pantry
- Start advocacy for the blind & visually impaired of Seymour
- Provide labor for building hanging bridge on Knobstone Trail
- "Sheparding" of members by board members

Otherwise, I look forward to seeing you at our next meeting.

Chamber Square - Water Schedule...
