VOLUNTEERS are needed to read materials at the State Library's recording studio. If YOU would like to help, please contact Lisa Shanahan (317) 232-3738 or lshanahan@statelib.lib.IN.us

Say Hello To Our Newest Member...

Please make Jeff Sutton feel welcome at our next meeting. He has elected to join our club, and will be officially induced as a member on September 27th. Jeff works as a Financial Advisor with Edward Jones Investments here in Seymour.

An 80 year old woman was arrested for shop lifting.

When she went before the judge he asked her, "What did you steal?" She replied, "A can of peaches."

The judge then asked her why she had stolen the can of peaches and she replied that she was hungry. The judge then asked her how many peaches were in the can. She replied six.

The judge then said, "I will then give you 6 days in jail."

Before the judge could actually pronounce the punishment, the woman's husband spoke up and asked the judge if he could say something. The judge said, "What is it?"

The husband said, "She also stole a can of peas."
